Approve November Minutes- Minutes approved.

Dr. Lovett- open forum- questions- likes, dislikes.

\* 40% of 5<sup>th</sup> graders are in the new orchestra program.

\* Hoping to get a survey out this month about calendar, conferences, communication.

\*5<sup>th</sup> grade transition talks happen around January.

\* Looking closely at k-12 in district to get an inventory, and keeping close eye on numbers.

\* Will keep a balance with the class numbers so they are comparable to others in the district, k-1 numbers better than most.

\* 23-27 is the cap for class sizes. Kindergarten level is where we need to keep numbers in check, numbers here are more predictable.

\* Secondary level-National recognition instructional technology. U of M credit for 33 different courses. Received a grant in the amount of \$250,000 from United Way for the Manufacturing Pathway. Partnership with Century so students can take the intro classes and be college ready. More than 2/3 of high school students are taking college classes.

Secretary Report- Welcome to our new member Jocelyn Crossfield!

Treasurer Report- about to file tax return. Will pay chip Shoppe tomorrow. 5<sup>th</sup> grade had requested \$5 per student for field trip/books. If budget keeps on track, could have a surplus of around \$4,200.

Principal/ Teacher report- registration starting soon, working towards online registration along with registration night. Lunch menus- all electronic, moving toward a new system in the New Year. Yzone is going well after school 3 days a week. Play practice is going great.

Activities update-
